

Measles Doesn't Wait. Neither Should You.

WALK-IN MMR VACCINATION CLINIC

The Clark County Health Department is hosting a walk-in measles vaccination clinic for individuals who may be unvaccinated or under-vaccinated against measles.

**No
Appointment
Needed**

Tuesday, September 15th

1:00 to 7:00 PM

529 E. Home Road
Springfield, OH 45503

Open to individuals 12 months of age and older who are eligible to receive the MMR (Measles, Mumps, and Rubella) vaccine.

*Individuals born before January 1, 1957 are presumed immune to measles and are not eligible for vaccination at this clinic. Please consult your healthcare provider if you have concerns or questions about your immunity.

Please Bring:

- ✓ Photo ID
- ✓ All Health Insurance Cards
- ✓ Any vaccination records you may have

Cost & Payment Information:

- Insurance will be billed for vaccines when applicable.
- Self-pay options will also be available.

No one will be turned away because of an inability to pay.

A parent or legal guardian must be present for anyone under 18 years of age.
