Food Safety
Training & Certification

Courses for
Owners, Managers & Employees

What is ServSafe™ Manager Food Safety Training?

ServSafe™ Manager has become the industry standard in food safety training and is accepted in almost all United States jurisdictions that require employee certification.

The 16-hour ServSafe™ Manager program provides accurate, up-to-date information for all levels of employees on all aspects of handling food, from receiving and storing to preparing and serving.

This course empowers you to protect against foodborne illness outbreaks, minimize liability risks and improve food quality.

Upon successful completion of the course and exam, participants receive a Certificate from the National Restaurant Association and Certification in Food Protection from the Ohio

What is Person In Charge Food Safety Training?

Ohio State University Person In Charge Food Safety Training is a 5-hour basic food safety education for food service workers (such as servers, cooks, deli workers, dishwashers, daycare workers, cafeteria, and food stand workers) who are moving to supervisory or management roles.

This food safety training which meets Ohio Department of Health (ODH) training requirements for food service employees as well as those opening an establishment for the first time. The PIC program enhances employee understanding of major food safety principles.

The program includes hands-on activities, lots of class participation and a Certificate of Completion.
