Clark County Combined Health District
Board of Health Meeting Minutes
July 18, 2024

President Dala DeWitt called the July 18, 2024, Clark County Combined Health District Board of Health meeting to order at 6:02 pm.

Board members present: Dala DeWitt, Valerie Moore, Dr. Sherry Robinette, Scott Griffith, and Mike Adamson.

Board members absent: Dr. Bernadette deGuzman and Dr. John Gulledge.

Staff present: Chris Cook, Health Commissioner; Gracie Hemphill, Deputy Health Commissioner; Christina Conover, Director of Nursing; Elizabeth “Zibby” DeWitt, Environmental Health Director; Lori Lambert, Early Childhood Director; Emily Shaffer, WIC Director, Shannon Hackathorne, Administrative Assistant to the Health Commissioner/HR Specialist, Linda Moore, Fiscal Officer and Dr. Laura Thompson, Medical Director.

Guests: Bridget Houston, City Commissioner.

Ms. Moore motioned to adopt the meeting agenda and Mr. Adamson seconded. The motion passed unanimously.

Mr. Adamson motioned to accept the June 20, 2024, meeting minutes as submitted, and Ms. Moore seconded. The motion passed unanimously.

NO OLD BUSINESS

NEW BUSINESS

Grant Submission-Regional Linkage to Care: Gracie said that this is our regional prevention and linkage to care grant which is the drug overdose prevention initiatives which is a continuation application for year 2 of the larger 5-year grant cycle. She said that our total funding for the base grant is \$350,000.00 that covers 2 of our health planners in the drug overdose prevention program that work as regional leads for 17 counties in the southwest region. She said that a lot of the money that comes in will be disbursed regionally to implement different strategies and place health navigators in 3 other counties to help create access to treatment. She said that within this grant there is also opportunity for some supplemental funding to expand harm reduction services across the region, which is optional, however, we are in communication with other counties on partnerships. She said that the funding amount for this is \$485,000.00 and with our capacity we would need the regional partners and are just waiting for confirmation of those partnerships. She said that we will pursue the harm reduction services optional funding if we secure those partnerships.

R 71-24 A resolution authorizing the Health Commissioner to do all things necessary including submitting the grant, negotiating, and executing all related contracts for the Regional Linkage to Care grant.

Motioned by: Mr. Griffith
Seconded by: Dr. Robinette

Ms. Moore	Yes	
Mr. Adamson	Yes	
Dr. Robinette	Yes	
Dr. deGuzman	Absent	
Mr. Griffith	Yes	
Dr. Gullledge	Absent	
Ms. DeWitt	Yes	Motion passed.

Grant Submissions-Springfield Foundation: Chris said that we were awarded a couple of grants from the Springfield Foundation last year for the first time or in an exceptionally long time and would like to apply again this year for a variety of grants. He said that the Springfield Foundation has a targeted bucket of grants they will accept grants for, so we need to make sure we hit those marks on our applications. He said that the application period has opened, and submissions are due August 12, 2024. He said that we will apply for supplemental funds to help provide polio vaccine at no cost for adults because this is one of the vaccines that insurance companies do not cover for adults, funding for expansion of diabetes education, funding for infant vitality, funding for a Cribs for Kids simulator, funding to support our sexual health clinic and education program, funding for solid waste cleanup and funding to help with benches at the entrance of our Home Road building. He said that the total of our grant submissions will be \$33,500.00.

R 72-24 A resolution authorizing the Health Commissioner to do all things necessary including submitting the grant, negotiating, and executing all related contracts and creating any required funds for various grants from the Springfield Foundation.

Dr. Robinette	Yes	
Dr. deGuzman	Absent	
Mr. Griffith	Yes	
Dr. Gullledge	Absent	
Ms. DeWitt	Yes	Motion passed.

Personnel Policy Update: Chris said that this is an initiative created by Gracie Hemphill and Ashley Seibert. He said that we are excited about this employee health and wellness policy and received some valuable feedback from the personnel committee of the board which was incorporated. He said that this is intended to support our employees as they spend a substantial portion of their day working and we want them to be active and engaged in their own wellness which is modeled by what we ask the community to do. He said that we will do this by giving the employees up to 45 minutes for full-time employees of paid wellness breaks. He said that is prorated for part-time employees. He said that these are paid breaks that can be used for wellness activities on site with some examples provided in the policy. He said that employees who participate in our specialized quarterly wellness activities will be entered

into a drawing to win either a \$50 gift card or 2 hours of paid leave. He said that we want our employees to be well, so we are incentivizing participation in those quarterly activities. He said that we want to encourage employees to be well on and off the clock. Dr. Robinette asked if the activity will be monitored or on the honor system. Chris said that wellness breaks will need to be approved by the supervisor and will be tracked in the time and attendance system.

R 73-24 A resolution approving an update to the personnel policy adding Appendix 8: Employee Wellness Policy as submitted at the July 18, 2024, Clark County Combined Health District Board of Health meeting.

Sewage Aerator Inspection Fees Assessed to Property Taxes: Zibby said that the Ohio Household Sewage Treatment rules require all household sewage treatment systems be on an operation permit and inspected to ensure compliance with the code. She said that some of those systems are required to have a service contract to maintain the mechanical components of the system and our discharging aerator systems are one of those. She said that in certain circumstances depending on how old the system is we are permitted to complete the inspection in leu of a service contract. She said that we send letters to the homeowners that qualify for us to complete the inspection in March. She said that we sent 3 letters giving them the opportunity to send back their service contract or complete the application and make payment to us to complete the annual inspection. She said that if they do not respond after the 3rd letter then we complete the inspection, and the fee is assessed to their property taxes. She said that we had 67 properties with fees assessed to their taxes last year and only 55 this year so there is some improvement with homeowners obtaining service contracts or paying us before it gets to this point. Dr. Robinette asked if the inspections had already been completed. Zibby advised that they have not but will be completed by the end of December. Ms. Moore asked what happens if the homeowner makes payment before the assessment is completed. Chris said that once we assess the fees to their taxes the homeowner can no longer pay the fee. Mr. Griffith asked if there has been any feedback from the 67 homeowners that had the fees assessed for their property taxes last year. Zibby said that last year we found that in the past few years we had not been sending letters to all homeowners who had these aerators and had to send out over 600 letters versus the 100 we previously sent. She said that because of this we had a lot of questions last year and did a lot of explaining why they were getting the letters. She said that otherwise we have not had any complaints from homeowners about the assessment of the fee to their taxes. Mr. Adamson asked how we came up with the fee assessment amount. Zibby said that we used the cost methodology to determine the inspection fee, and the code allows a 25% late fee if not paid within a certain period. She said that the fee being assessed is the inspection fee plus the 25% late fee. Mr. Adamson said that the amount seems low based on the amount of work that is being done between sending the letters and doing the inspections. Ms. DeWitt said that it would be interesting to see what the other county health

departments charge. Zibby said that Dayton Montgomery Public Health Department coordinates obtaining fees for southwest Ohio health department fees and sending a spreadsheet to each department for comparisons, and we do look at that when determining our fees. Mr. Griffith asked where we fall in comparison of the fees. Zibby said that we have not seen the spreadsheet for this year, but we typically fall in the middle when compared to neighboring counties and health departments with counties similar in population. Mr. Griffith asked if anyone has questioned the fact that they are billed before the service is performed. Zibby said that we have had a few homeowners calls because by the time we complete inspections near the end of the year they are getting a new letter in March, and we explain that it is an annual inspection and most understand.

R 74-24 WHEREAS, the owners of the following list of properties have not paid their fee for an Operation Inspection for Sewage Treatment System, as required by division (A) of section 3709.09 of the Ohio Revised Code; Paragraph (B) of rule 3701-29-05 of the Ohio Administrative Code; and the Board of Health Resolution 105-11; and

WHEREAS the owners of the properties on the following list of properties have not paid the late fee for their Operation Inspection for Sewage Treatment System, as required by division (D) of section 3709.09 of the Ohio Revised Code and Board of Health Resolution 11-15; and,

WHEREAS the owners of the properties on the following list of properties have been properly notified of the amount of the fee and the late fee, as required by division (B) of Ohio Revised Code section 3709.091 and have not objected to the amount in the manner provided by division (C) of Ohio Revised Code section 3709.091; and,

NOW, THEREFORE, be it resolved that the itemized costs in the following list be certified to the county auditor, in accordance with division (E) of Ohio Revised Code section 3709.091, as follows:

Dr. Robinette	Yes	Motion passed.

Staffing Changes: Shannon said that we have several new employees in the nursing division and turned the floor over to Chris. Chris said that it is important to see the names of our new employees but also to share the positions. He said that Carolyn Barnett has been with us in several capacities including being part of community health assessment group and is joining us as needed as a Public Health Nurse to work in our diabetes education program with Linda Sauers. He said that we do have funding from the Community Health Foundation to support this. He said that Ashley Call replaces Renee in our Children with Medical Handicaps program. He said that Hilary Fulk is a new position that will serve as an as needed nurse practitioner in the reproductive health and wellness program. He said that currently when Mary Shaw is out of the office our services stop with her being the only provider so this will give us some built-in capacity to continue to provide those services. He said that Anita Schilling replaces one of our retiring immunization nurses. He said that Marie Carline Milien Joseph is a new position that is an expansion in our refugee health screening clinic. He said that Marie is an RN in Haiti but is unable to practice right now in that role but brings a lot of knowledge to work in a secretarial capacity in our refugee health clinic.

R 76-24 A resolution appointing new employees to public health service, as recommended by the Health Commissioner, hired from June 19, 2024, through July 18, 2024, and accepting the resignations of employees as submitted from June 19, 2024, through July 18, 2024.

Monthly Fund Report: Linda said that all grant reporting has been submitted for the quarter and we are expecting payment within the next 45 days.

PUBLIC HEALTH TEAM REPORTS

Environmental Health: Zibby said that we received confirmation of our first set of West Nile positive mosquitos. She said that we had 14 positive pools from 7 of our trap locations. She said that in response to this we followed procedure and began conducting adulticide spraying in areas where we had positive samples. She said that residents can opt out of having the area in front of their home sprayed by contacting us. She said that adulticide is our last tool as it is the least effective. She said that the most effective tool is to eliminate the breeding ground by getting rid of standing water. She said that a teaspoon of water can breed hundreds of mosquitos. She said that tomorrow starts the Clark County Fair so our Environmental Health Specialists will be out all day tomorrow inspecting the 60 plus vendors there. She said that our mosquito grant program has put together packets with a magnet to remind you to fight the bite and some mosquito repellent wipes which will be distributed at the fair.

Nursing and Clinics: Chris referred to the immunization portion of the report and said that we are scheduling into September, which is a combination of people catching up and there being fewer providers. He said that the nursing team has been discussing bringing back walk-in pregnancy testing and are working to finalize a procedure for that. He said that our current caseload for case management of children with elevated blood lead levels is at 227 and looking back through the past year this is a significant caseload. He referred to the 2nd quarter communicable disease report in the packet and said there are many things we could talk about but gave a few highlights. He said that chlamydia and gonorrhea infections are down compared to this time last year as well as Strep A infections. He said that HIV and flu related hospitalizations are up. He said that Sandy Miller who is one of our nursing supervisors who also serves as our Medical Reserve Corp (MRC) Coordinator and in the National Medical Reserve Corp newsletter the Clark County Medical Reserve Corp was highlighted for their faith community health ministry program which is a partnership with Mercy, Nehemiah Foundation, the MRC and our health department staff. He said that since this newsletter was released and following a recent conference

Sandy has had 3 MRC Coordinators from different states reach out wanting to use us as a model which is a huge compliment to Sandy and our MRC team.

Early Childhood: Lori said that they finished our Ohio Children's Trust Fund grant distributing 311 safety items to families which was a great success reaching many families. She said that they had a summer fest for the Help Me Grow families which was also a great success, and she thanked our Early Childhood staff for their work on this event. She thanked Young Woman's Mission for their contribution which helped fund some of our events with the summer fest being one of them.

Women, Infants & Children: Emily said that they did have a decrease in their caseload which puts them at their assigned caseload which may reflect participants seeking services in other counties due to the constraints we are experiencing in our clinic with available appointments. She said that we received a funding update for fiscal year 2025 which provides our agency with an increase of \$132,657.00 which brings our total award to \$1,054,498.00. She said that this is encouraging with the increased assigned caseload for next year. She said that we received confirmation last month that the monthly fruit and vegetable increased benefit will continue from October forward with the adjustment occurring on October 1, 2024, which is exciting news for our participants.

Health Planning: Gracie said that a couple of months back we submitted for the Creating Healthy Communities grant and is happy to report that we were awarded that grant at a funding level of \$95,000.00 which starts a new 5-year cycle. She thanked Ashley Seibert for her work in the Creating Healthy Communities program. She said that the health planning staff will be working 2 booths at the Clark County Fair all week with 1 of the booths providing information on all health department programs and the 2nd booth being a designated breastfeeding booth. She said that our Safe Communities program will also sponsor an Arrive Alive driving simulator partnering with the Ohio State Highway Patrol at the fair which is a car that simulates impaired and distracted driving.

Legislative Update & Health Commissioner's Comments: Chris welcomed Springfield City Commissioner Bridget Houston who was attending for Dr. Estrop, and the group did introductions. Chris said that we do not have any legislative updates as the state legislature is on summer break, however, said that a group of individuals from Springfield and Clark County had the opportunity to meet with Governor DeWine and his staff at the state level to talk about what is going on in Springfield and Clark County regarding what is going on when it comes to our Haitian residents and to provide a real world view of what is going on and they were appreciative of that opportunity. He said that one of his staff then came to the Haitian Coalition meeting this week. He thanked the Springfield Rotary who is funding us \$10,000.00 for the polio vaccine. He said that this is not a cheap vaccine, so we are asking Springfield Foundation as we mentioned earlier for additional funding as well. He said that the rotary was founded on the eradication of polio and when we told them there was a need they stepped up to help and we appreciate their support. He said that we had a reallocation of some federal pass through to the state funds called enhanced operations which are dollars that are unique to every county to use in the realm of where it is most needed. He said that this grant was supposed to expire this summer, but they found that some health departments were not able to use their allocations so they did a reallocation, and we are eligible for some of the funding and will receive about \$500,000.00 that will last through the end of 2025 and we are fortunate to continue to receive those funds.

Additional Business: none.

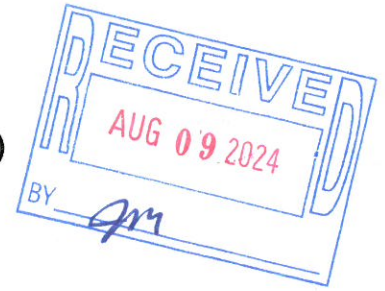

The next regular Board of Health meeting will be held on Thursday, August 15, 2024, at 6:00pm at 529 East Home Road, Springfield Ohio, 45503.

With no further business Mr. Adamson motioned to adjourn the meeting at 6:46 pm. Mr. Griffith seconded the motion. The motion passed unanimously.

Application for Sewage Variance

Permit Fee \$25.00

Receipt #: 80083

Address of Site <u>1691 Newlove Rd</u>	City <u>South Charleston</u>	State <u>OH</u>	Zip <u>45368</u>
---	---------------------------------	--------------------	---------------------

Owner Information:			
Name <u>Christopher McCutcheon</u>			
Address <u>1691 Newlove Rd</u>	City <u>South Charleston</u>	State <u>OH</u>	Zip <u>45368</u>
Email address: <u>clutchai22@gmail.com</u>	Cell Phone Number: <u>937-536-9996</u>		

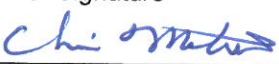

Insert below, all sections of sewage code from which you are requesting a variance.
<u>3701-29-06(Ex5) - A STS or GWS shall comply with the following performance requirements and prohibitions:</u>
<u>No sewage or effluent shall be discharged to an abandoned well, drainage well, a dry well or leepool, a sink hole or other connection to groundwater.</u>

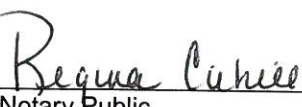

Provide a concise description of the conditions, which prevent compliance with above code(s).
<u>Variance Requested To use existing Dry well for Sewer System</u>
<u>System was working with no problems. House had to be rebuilt due to being destroyed on 2-28-84 by tornado.</u>

By signing this application, I, the grantee, agree to abide by any and all state laws and regulations and by the regulations set forth by the Clark County Combined Health District.

I, the grantee, herein further acknowledge that I obtained a variance from the Clark County Combined Health District Board of Health, said variance permitting me to install a sewage system that does not meet the minimum state code.

In consideration for said variance, I hereby agree and promise that I will hold harmless and indemnify the Clark County Combined Health District Board of Health, the Clark County Combined Health District and/or any and all members of said Board and/or said District, including all employees and/or agents thereof, from any and all damages which might be caused directly or indirectly from this installation.

CCCHD Public Health Ethics Review Tool

Date of Review Meeting:	8/9/2024
Attendees by Name and Title	Elizabeth DeWitt; Director of Environmental Health
Area of Discussion:	Variance request from Ohio's Household Sewage Treatment System rule 3701-29-06(E)(5): 1691 Newlove Rd, South Charleston, OH - Parcel #1300800027000032

Principles of Ethical Public Health Practice	Principles Applied to Program Level	Principles Applied to Specific Event
1. Address principally the fundamental causes of disease and requirements for health, aiming to prevent adverse health outcomes.	Prevent humans and animals from contact with untreated sewage. Use best available technology to treat sewage.	Homes with a dry well as the secondary treatment of sewage are required to replace their secondary treatment with a soil absorption system or other approvable septic system.
2. Achieve community health in a way that respects the rights of individuals in the community.	Advised client of option to request variance from rule.	Client has elected to request a variance from rule.
3. Policies, programs, and priorities should be developed and evaluated through processes that ensure an opportunity for input from community.	As this is implementation of state law and rule- public input has occurred at the state level. The Board of Health consideration of variances occurs in a public meeting with input from the community.	Board of Health Meeting; August 15, 2024.
4. Advocate and work for the empowerment of disenfranchised community members, aiming to ensure that the basic resources and conditions for health are accessible to all.	The law and rules allows for a "hardship" or financial consideration when making the variance decisions.	The Board may consider cost and difficulty of installing a soil absorption septic system meeting current standards.
5. Seek the information needed to implement effective policies and programs that protect and promote health.	Not applicable- State Law and Rules.	N/A

Public Health Ethics Reviews

529 E. Home Road
Springfield, OH 45503

Principles of Ethical Public Health Practice	Principles Applied to Program Level	Principles Applied to Specific Event
6. Provide communities with the information they have that is needed for decisions on policies and programs and should obtain the community's consent.	Consent is not applicable- State Law and Rules.	N/A
7. Act in a timely manner on the information they have within the resources and the mandate given to them by the public.	Process variance request ASAP and present to the next Board of Health meeting for their consideration.	Received August 9, 2024; To be reviewed by Board of Health August 15, 2024.
8. Programs and policies should incorporate a variety of approaches that anticipate and respect the diverse values, beliefs and cultures in the community.	Not applicable- State Law and Rules.	N/A
9. Programs and policies should be implemented in a manner that most enhances the physical and social environment.	Consideration should be given to the surrounding terrain and the variances impact on the neighboring properties as well as the owner's property.	The dry well may have a negative impact on drinking water quality in the area.
10. Protect the confidentiality of information that can bring harm to an individual or community if made public. Exceptions must be justified on the basis of high likelihood of significant harm to the individual or others.	Not applicable- no confidential information.	N/A
11. CCCHD should ensure the professional competence of its employees.	Professional development and training must occur, and documentation uploaded into the Workforce Development database.	Staff attends educational conferences as available, participates in quarterly roundtable meetings with other health departments in SW Ohio, and monitors monthly statewide sewage conference calls. Issue discussed with EH Supervisor & Director.

Public Health Ethics Reviews

529 E. Home Road
Springfield, OH 45503

Principles of Ethical Public Health Practice	Principles Applied to Program Level	Principles Applied to Specific Event
12. CCCHD and its employees should engage in collaborations and affiliations that build the public's trust and the institution's effectiveness.	The general public, township trustees, county commissioners, village council members, realtors and realtor trade groups, mortgage bankers, builders and builder trade groups, installers, designers, and service providers have been educated and regularly informed of the implementation of the rules through meetings and the local media.	Harmony Township Trustees have been advised of pending consideration of request for variance by Board of Health and opportunity to comment.

Next Steps:			
Objective	Related Activities	Timeframe	Responsible Party
Ensure compliance with conditions of the variance is passed.	Perform on-site inspections as needed.	By project's completion.	Environmental Health Staff

Community Members Seek Flu and COVID Vaccines at Clark County Combined Health District

CCCHD Workforce Development:

- CCCHD Staff attended training on IQIIP (Immunization Quality Improvement for Providers) Processes
- CCCHD Staff attended MOBI and TIES training (Maximizing Office Based Immunizations and Teen Immunization Education Sessions)

Refugee Health Clinic		July 2024
	# of Clients Vaccinated	19
	# of Vaccines	68

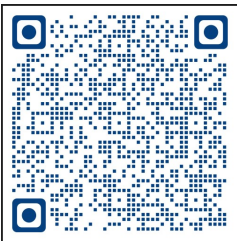

The **10 Essential Public Health Services (EPHS)** provide a framework for public health to protect and promote the health of all people in all communities.

In this report, we have attempted to link the activities with some of the EPHSs that they contribute to.

You will see this image identifying the relevant EPHS(s):

Nursing and Health Promotion Services July Activities 2024

Sexual Health and Wellness

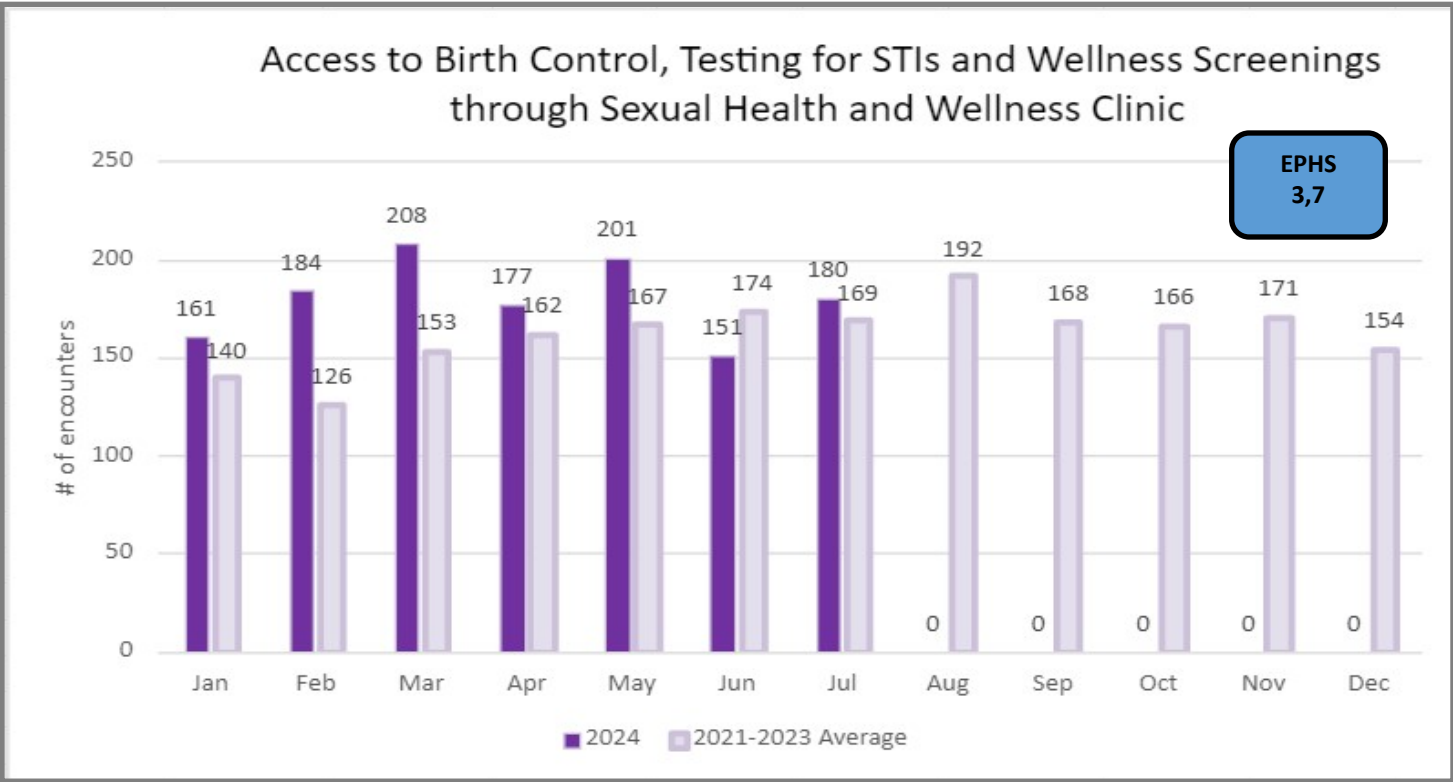

Condom Distribution Partners	
Wayside	Early Childhood
Wittenberg	WIC
Bens Corner	One 2 One
Jimmy T's	Creations Market
Early Childhood	Salvation Army
Sexual Health and Wellness Clinic	

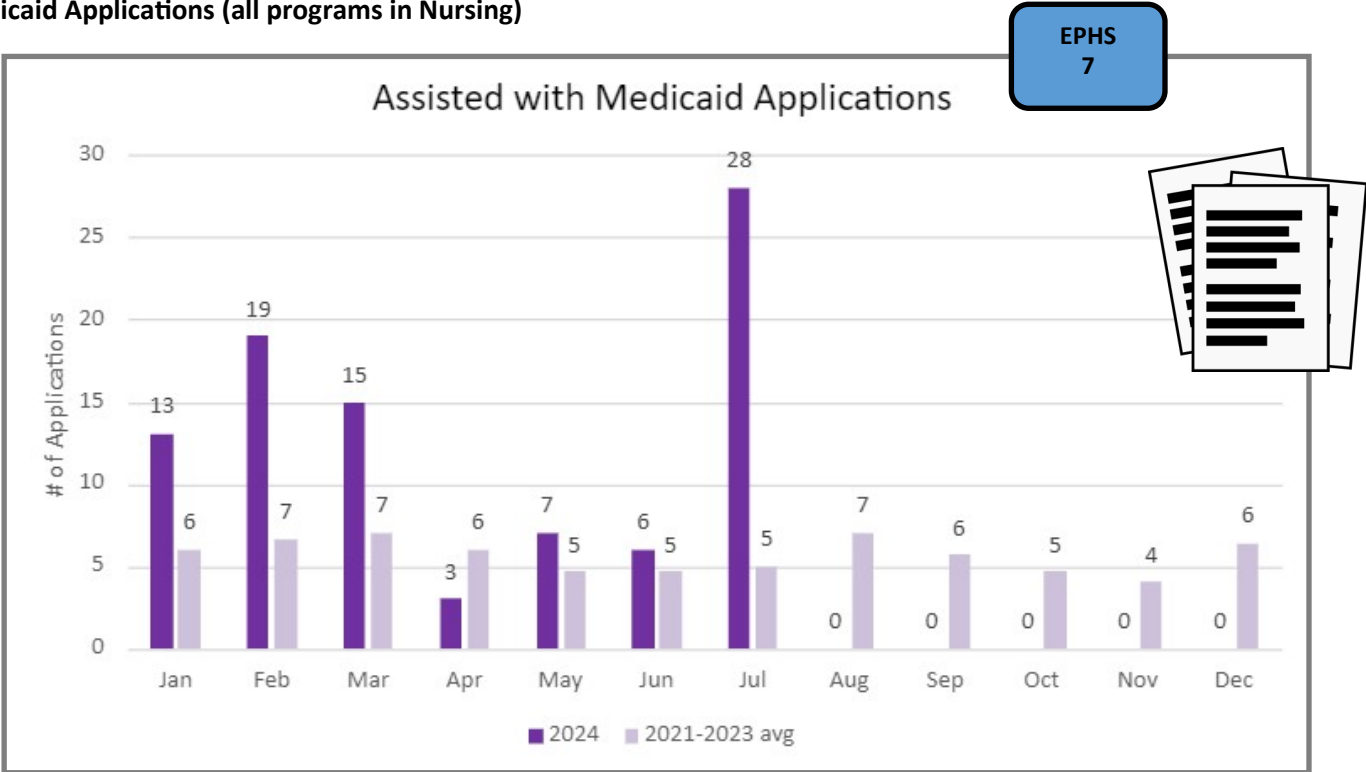

Nursing and Health Promotion Services July Activities 2024

Sexual Health and Wellness (Provider is Mary Shaw, Nurse Practitioner); Disease Intervention Specialist

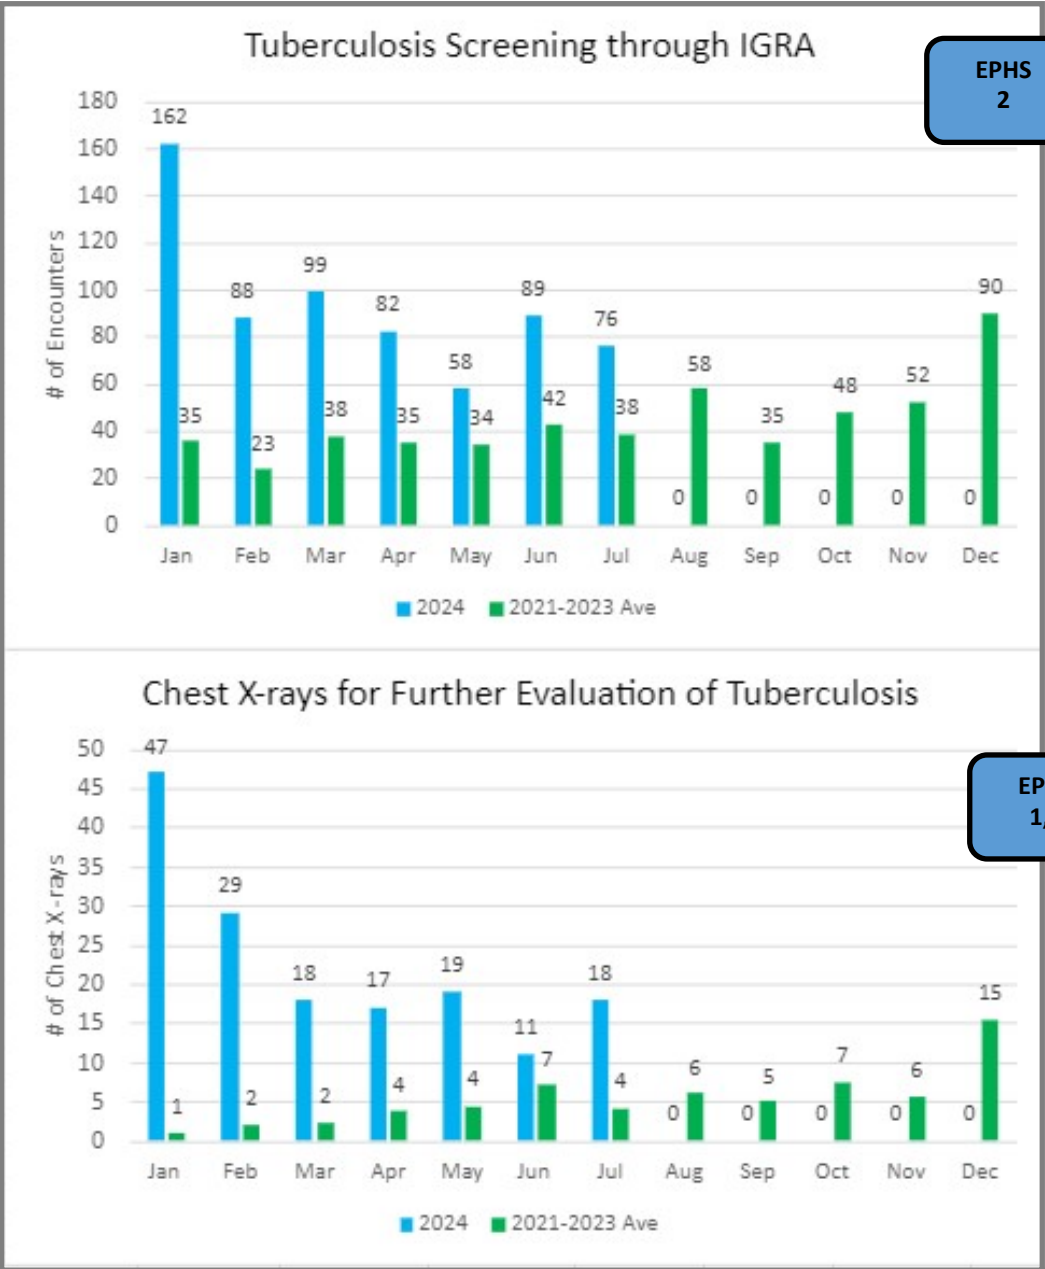

53 Long Acting Reversible Contraceptives (LARCS) completed Year to Date. LARCS include Nexplanons and Intra-Uterine Devices (IUDs).

Medicaid Applications (all programs in Nursing)

Nursing and Health Promotion Services July Activities 2024

Tuberculosis

EPHS
2

EPHS
1,2

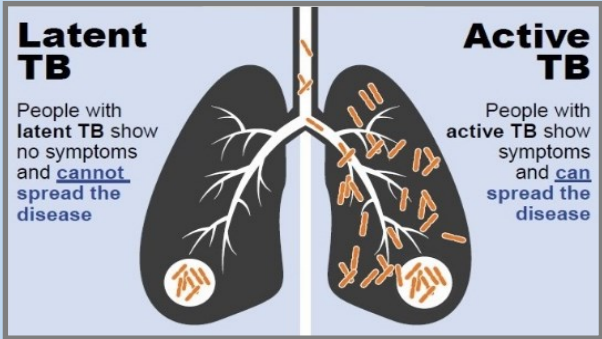

Snapshot of Tuberculosis Control

44 Persons who are currently on treatment or are preparing for treatment for Latent TB

5 Persons currently under treatment for Active TB

3 Persons currently having Direct Observe Therapy (DOT) for medication adherence.

Latent TB is not reportable in Ohio, so this number reflects those people receiving treatment through CCHD.

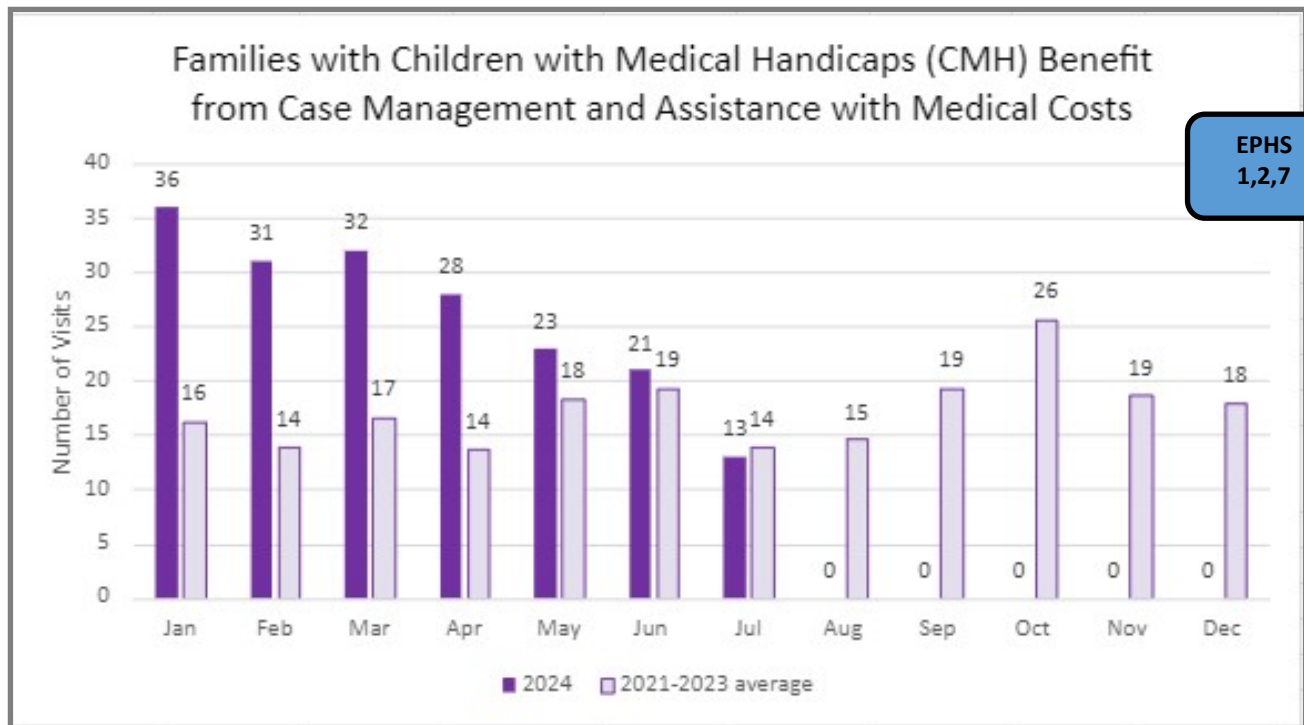

Nursing and Health Promotion Services July Activities 2024

Haitian Connection Team

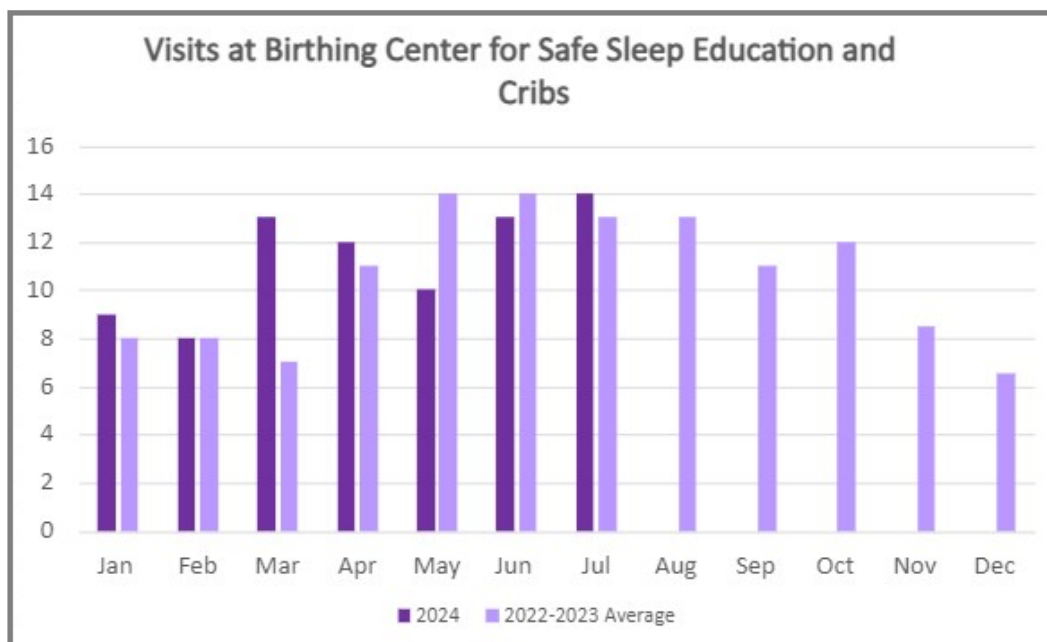

CCCHD's Haitian Connection Team provided a presentation to Start Strong Coalition. The presentation focused on Maternal/Infant Health from the context of Haitian Culture point of view.

Stories from nurses in the Faith Community Health Ministry

"One weekend I baked some cookies, way more than I should eat, so I decided to take some to my neighbor. I watched all day for him to sit outside like he does sometimes and he did not show. Finally about 7, I thought to myself, "Just knock on his door and give him the cookies." When I knocked, I thought I heard a muffled "help." I had a neighbor listen with me, I attempted to call his family and finally reached someone who gave me the door code to get inside. The man was very sick and unable to get off the floor. I was able to help until the EMS came to transport him to the hospital. After a week, he returned home. I took him fresh cookies and we shared happiness about his wellbeing! I have thanked GOD many times for allowing me to be an instrument of HIS goodness."

"Today we had a blessed meeting with a physician from Dominican Republic, about expanding health ministry to Spanish speakers. She's been unable to practice in the US because of her lack of English proficiency with forms, testing, regulations. She is so excited and inspired!"

Cribs for Kids Education and Pack and Play at Birthing Center

CLARK COUNTY WIC PROGRAM
Agency Distribution of Women, Infants and Children

[illegible]

Health Planning Team Update

"Health care is vital to all of us some of the time, but
Public Health is vital to all of us all of the time."

- Former U.S. Surgeon General C. Everett Koop

August 2024

Drug Overdose Prevention

- **One2One**
 - Second Harvest Food Bank (SHFB) Partnership: over the month of July, we provided food to 83 clients.
 - Sheltered Inc. Partnership: over the month of July, we completed 0 housing referrals.
 - Department of Job and Family Services Clark County Partnership: over the month of July, we assisted 3 clients in completing applications for Medicaid and SNAP benefits.
 - Harm Reduction Program stats from June 2024 (this data is always 1 month behind):
 - Client Visits: 242
 - Syringes Exchanged: 12,380
 - Narcan Kits Distributed: 79
 - Treatment Referrals: 3
- **Substance Abuse/DOP**
 - The coordination of the new Regional Prevention and Linkage to Care Collaborative grant program has successfully continued this month.
 - The overdose prevention team is currently working with the other counties in our region to complete a regional assessment to identify gaps in services. Results from the assessment will be used to inform strategies and funding in years 2-5 of the grant.
 - The Annual Overdose Awareness Day event will be held on Friday, August 30th, 4-7pm at National Road Commons.

Adolescent Health

- The program has continued to develop relationships with youth serving organizations and other community stakeholders to serve on the grant's advisory committee.
- Program staff attended Building Resiliency with Youth – A how to guide for Safe Adults training on July 17th. Program staff will be offering training locally starting in October.
- Program staff continues to participate in the Youth Empowerment Taskforce. The taskforce is a subcommittee of Partners in Prevention and focuses on coordination and collaboration of local youth serving organizations.

Safe Communities

- Over the past month program staff have participated in several community events to increase community awareness on the dangers of distracted driving and seat belt usage for both teens and adults.
- The Clark County Fair was a success. Safe Communities funded 2 Arrive Alive Simulations for Saturday and Sunday for the Clark County Fair.
- Health Planning Staff attended two National Night Out events on August 6th. Springfield & Bethel Township.
- Program Staff is preparing for the Drive Sober or Get Pulled Over Campaign Kick-off. The Kick-off will be held in partnership with the Ohio State Patrol in conjunction with their yearly OVI Checkpoint.

Motorcycle Ohio

- 4 remaining classes for 2024

SUMMARY OF PASS/FAIL STATISTICS

Total Students	Passed	Bypass Skill	Failed Attendance	Failed Dismissed	Failed Knowledge	Failed Errant	Failed Skill	Failed Withdraw	No Show	No Code	Retest
191	165	3	4	0	0	0	8	4	7	0	7
	86.39%	1.57%	2.09%	0.00%	0.00%	0.00%	4.19%	2.09%	3.66%	0.00%	3.66%

Tobacco

- Throughout the past month program staff has continued to foster new partnerships throughout the community.
- Starting on August 1st, Anti-vaping PSA will be shown at the Springfield movie theater during the pre-movie entertainment. This campaign will run through April of 2025 and will showcase the winning entry from the video contest held with Shawnee High School in the Spring.

Creating Healthy Communities

- CHC continues to be an active member of several local coalitions and taskforces, such as the Clark County Local Foods Council and the Chronic Disease Taskforce.
- The quarterly HEAL Coalition meeting was held on July 29th at Davey Moore Park. We took a walk over to the new playground for people to get a sense of all the new items!
- The Health & Wellness Policy has been adopted by CCCHD! We will be choosing a week in September for the quarterly activity which will be a walking activity.
- The 3rd Heart Strong Event will be held in Enon on August 16th.

Lead

- Continued partnership with Clark County Community and Economic Development on lead abatement work in the county.
- Our media campaign began in May and will run for six months. It features both digital and print ads in the Springfield News and Sun.
- CCCHD worked with those who took the lead abatement licensure classes to apply to take the licensure exam. Three signed up for the lead abatement contractor, two signed up for the lead abatement worker exam. Once they receive confirmation of this exam, CCCHD will work with them to pay the exam fees
