If you are coming to the Health Department for a meeting in the Conference Room, you can park along the side of the building and enter through the Conference Room Entrance B door. You do not need to enter the main entrance or park in the patient lot.

The Home Road office of the Clark County Combined Health District is located in front of the Springfield City Schools and behind the recycling center. The building is not clearly visible from the street but our electronic sign is! You can enter using the shared school driveway (North High School Place) or using Patterson Way.

Conference Room Entrance B is clearly marked. Please ring the doorbell if the door is not unlocked.
