JOB SUMMARY

The Director of Nursing is responsible for planning, developing, staffing, and evaluating public health programs, policies and procedures. The Director of Nursing leads the coordination of nursing health services and clinics, ensures grants and program reporting are properly managed, and oversees the implementation and effectiveness of public health initiatives to improve community outcomes.

EDUCATION & QUALIFICATIONS

This position requires, at a minimum, one of the following qualifications:

1. Registered Nurse currently licensed in Ohio with a Bachelor of Science degree in Nursing (BSN) with at least ten (10) years of experience and at least five (5) of those years in a supervisory role.
2. Registered Nurse currently licensed in Ohio with a Master of Science degree in Nursing (MSN) or a closely related field with at least five (5) years of experience in a supervisory role.

Professional and personal alignment with both the CDC's childhood and adult vaccine schedule is mandatory. Experience with leading and managing a multidisciplinary team and public health experience are both strongly preferred.

data, establish facts and draw valid conclusions; use proper research methods in gathering data; prepare meaningful, concise and accurate reports; develop good rapport with administrators, employees and clients; communicate and educate clients on health matters; resolve disputes and complaints from employees and clients; and motivate employees.

PHYSICAL DEMANDS AND WORKING CONDITIONS

The demands and conditions described here are representative of those the employee must meet to perform the essential functions of the job.

- Frequently required to sit, stand, walk, talk, write, listen and read.
- The employee may infrequently be required to climb, balance, stoop, kneel, crouch or crawl, reach with hands and arms, lift and/or move up to 25 pounds.
- Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth perception, and the ability to focus.
- The noise level of the office is moderate. May occasionally be in environments with high noise levels.
- Involves travel by automobile to attend meetings with state agencies and community partners. Must have a current driver's license valid in the state of Ohio and access to a personal automobile. Must provide personal transportation to work locations.

ORGANIZATION OVERVIEW

The Clark County Combined Health District (CCCHD) protects and promotes the health of citizens and the environment through the efforts of dedicated and skilled employees and application of sound public health principles. Our role is to identify community health problems; diagnose and investigate health problems and health hazards in the community; and enforce laws and regulations that protect health and ensure safety. CCCHD offers a relaxed, positive, and friendly work environment. Some positions may offer limited alternative work locations as an option. The work of equity, diversity and inclusion is the work of Public Health. We are committed to a future that is free of health inequities, that promotes the highest level of wellness for the communities we serve, and a diverse and inclusive public health workforce that embodies humility, respect, leadership and service on behalf of, and with, the diverse communities we are privileged to serve.
